Degrees

BHH - Bachelor in Holistic Health

Prerequisites

To be admitted into a bachelor's degree program at Quantum University, you must have completed a High-School Diploma or GED and be proficient in the English language.

"It's been a wonderful experience learning from this curriculum, and I've felt very inspired in learning at Quantum University with the introduction of consciousness into health care because that's had a tremendous impact on my life. So I would like to thank Quantum University for giving the opportunity for us to learn in this way."

Kyle Joseph Johnson
